## My self-summary

OKC gal dropped into BK as of August 1. Total Newbie.

Kind of hate Tinder. Would like to meet new folks. So here I am.

My dog. Records. Naps. Design. Photography. Dives. Bike rides. Park days. Avocados and sriracha. OKC Thunder. Life stories. Lists.

Would maybe like to meet someone and for maybe it to go somewhere. If not then new friends are cool too.

## FAQ:

(cause none of your ice breakers are original)

"Hey does OKC stand for okcupid or Oklahoma City?"

Yes OKC stands for Oklahoma City. Thunder Up.

"How are you finding Brooklyn/NYC?"

I'm finding it beautifully. It's one of my favorite places and it's why I moved here.

"What part of BK are you in?"
